Eclipse® STRIP
SFCB SERIES

MADE IN USA

5yr Warranty

AVAILABLE SIZES: 2' & 4'

48.00

24.75

2.16

4.06
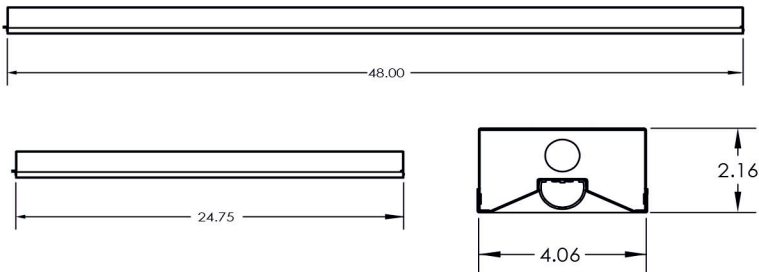

PRODUCT DESCRIPTION:

Sleek design, easy installation and end to end connection makes the SFCB series lamp system a game changer. All aluminum construction, with a "fastener-less" mounting plate allows easy service and utility. Optional lens clarity and performance options allow you to create a modern upgrade to conventional fluorescent strip fixture systems. Outdoor rated, hermetically sealed lamp systems utilizes our BugGuard Technology to completely eliminate dirt and debris build-up in the lamp systems. Pressure wash at will.

FEATURES:

- Universal Input Voltage 100-300 VAC 47-64Hz
- 110 Lumens per Watt Fixture Efficacy
- All Color Temps available 3,000-5,000K (CCT)
- High CRI (90+) Available
- 0-10V Dimming
- 5-year Limited Warranty (Including Driver)
- Multiple mounting methods
- Suitable for Wet Locations
- Waterproof Lighting Element
- NEMA 3R Box

COMPLIANCE & SAFETY:

RoHS Compliant   FC   IES

PERFORMANCE:

Model	Watts	Lumens	LPW	CRI	CCT
SFCB-2	16	1,781	111.3	84	3500K
SFCB-4	32	3,563	111.3	84	3500K

ORDERING GUIDE: Ex: SFCB-4-4000K

Model	Length	CCT(K)
SFCB	2'	30 = 3000K
	4'	35 = 3500K
		40 = 4000K
		50 = 5000K

APPLICATION & BEAM ANGLE:

LIGHT RADIATION PATTERN

180°
