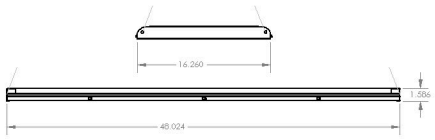
QUAD HI-BAY

HB SERIES

MADE IN USA

5yr Warranty

AVAILABLE SIZES: 48”



PRODUCT DESCRIPTION:

Sleek design, easy installation makes the HB44 series lamp system a game changer. All aluminum construction, with a “fastener-less” mounting plate allows easy service and utility. Optional lens clarity and performance options allow you to create a modern upgrade to conventional fluorescent or high intensity lamp systems. Hermetically sealed lamp system utilizes our BugGuard Technology to completely eliminate dirt and debris build-up.

FEATURES:

- Class 2 internal power supply 120-277VAC
- All Color Temps available 3000K-5000K (CCT)
- High CRI (90+) Available
- Life Rating: 75,000 hrs (L70)
- Operational Temperature -20°C to 50°C (-4°F to 122°F)

APPLICATIONS:

- Production Areas
- Gymnasiums
- Cold Storage Areas
- Food Prep Areas
- Damp Environments
- Warehouses

COMPLIANCE & SAFETY:

RoHS Compliant
